

# TUMBLER RIDGE FIRE DEPARTMENT

---

Dear Applicant,

To be a firefighter, you have to commit yourself to front-line duty in one of the world's most honored and noble occupations. It is also one of the most hazardous of all civilian occupations. It is the duty of every fire department to save lives and reduce injuries and property losses when fires and other disasters occur.

The fire service as an organization is rich in heritage, dedication, unselfish sacrifice and inspired human action that has accumulated over three centuries. Its members make up a family, both locally and on a global scale. One with a sense of comradery and trust built between firefighters and their families that is beyond compare.

If successful, you will join the ranks of nearly 100,000 fire service professionals tirelessly responding to emergencies from 3,143 volunteer and composite fire departments across Canada.

If you are looking for a comfortable and easy job now is the time for you to re-think your application. If, however, you are looking to join a group of people motivated by a highly developed sense of personal dedication, and a genuine love of community and desire to help people, then we want you!

The minimum requirements for a firefighter are:

1. Possess a positive attitude, and willingness to learn.
2. A commitment to attend 65% of regular training practices.
3. Possess a valid driver's licence, Class 7N or higher.
4. Be legally permitted to work in Canada.

*By the end of completing your probationary period, you must:*

5. Provide a satisfactory Criminal Record Check involving vulnerable persons.
6. Be a minimum 19 years of age.
7. Undergo an occupational medical assessment.
8. Provide a current drivers abstract.

If you have any questions regarding the application process or your application status, please contact me directly and I would be happy to discuss.

Dustin Curry  
Director of Protective Services/Fire Chief
